We have prepared a holiday checklist for you which you can find on the [Compare Airport Parking](#) website that will allow you to check off items as you pack them. It may not be clothes that you forget however as passports, tickets etc. can be very easy to forget. Below we have listed some of the most paramount things that you should ensure you have as any one of these missing will prevent you from going on holiday. You may not need to do this yourself as if you have a travel representative they may do this for you however if not you may need to do it yourself. Before you leave you should visit The Foreign and Commonwealth office which can be found by typing 'british embassy' into google.
